## Proposal

Dear BCX,

Please find herewith our proposal for the deployment of 2 x Mediant 9000 appliances, in the BCX Bellville Data Centre.

### Requirement

- Racking and Stacking and Rack Space for 2 x Mediant 9000 Appliances (1RU per device)
- 2 x Mediant 9000 Appliance in Bellville DC

The table below illustrates the Mediant appliance specifications:

Make	Model	Qty	Size (RU)	Grid Ref
AudioCodes	Mediant 9000	1	1	BLV2: WAS27
AudioCodes	Mediant 9000	1	1	BLV2: WAS27

### Solution

2 x Mediant 9000 appliances, will be rack and stacked, within the BCX Bellville Datacentre.

The necessary grid locations are as follows:

- Bellville 2 DC: WAS27

The closest ACI leafs for copper termination are as follows:

Bellville 2 DC:

- End of Row leafs: BLV2-DC-LF-WAS10-2413 & BLV2-DC-LF-WAS37-2414. There are optic leafs in this row as well if required.

<b>Total (Including VAT)</b>			<b>R 24 925,22</b>	<b>R 4 622,03</b>

## Notes

The information contained in this document is proprietary and confidential to Business Connexion (Pty) Ltd and/or its suppliers and sub-contractors - it is requested that the information be dealt with accordingly.

In accordance with good governance please take note that this submission, including indicative pricing, does not constitute a Business Connexion (Pty) Ltd legal offer and accordingly the Services proposed in this submission may only commence at such time as the parties have entered into a services agreement.

Should any services however commence without the Parties having concluded such an agreement, then the Business Connexion (Pty) Ltd standard terms and conditions shall apply to such transactions until such time as this is replaced with a services agreement.

The BCX response is based on the information that has been made available. In the event any information was withheld or found to be incorrect, BCX may revise this proposal or pricing without prejudice to any of its rights. Where applicable, a BCX due diligence may be required for confirmation of the provided information, with this due diligence being input to the negotiations to arrive at the binding legal agreement.

BCX is fully committed to compliance with the Protection of Personal Information Act 4 of 2013. As far as this proposal contains personal information, Business Connexion expects that such personal information will be treated with reasonable care, confidentiality, within the parameters of the Act and used solely for the evaluation of this proposal. If such personal information is no longer required for the aforementioned purpose, such personal information should be immediately destroyed.

**Proposal Acceptance**
